

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
ALEXANDRIA DIVISION**

UNITED STATES, *et al.*,

Plaintiffs,

v.

GOOGLE LLC,

Defendant.

No: 1:23-cv-00108-LMB-JFA

**[PROPOSED] ORDER GRANTING NON-PARTY LINKEDIN CORPORATION'S
MOTION TO REDACT**

Pursuant to Local Civil Rule 5(C), non-party LinkedIn Corporation (“LinkedIn”) filed a Motion to Redact (“Motion”), which seeks to fully redact or seal DTX 2221, and redact portions of DTX 1991 on Google’s trial exhibit list. *See* ECF No. 894. Having considered the Motion and accompanying memorandum of law, as well as any opposition thereto, this Court finds that (i) sufficient notice of the Motion was given; (ii) LinkedIn’s interest in protecting its sensitive, confidential, business information outweighs the public’s right of access; (iii) a procedure other than redaction and sealing is insufficient to protect LinkedIn’s interest; and (iv) LinkedIn seeks to redact and seal only as much as is necessary to protect its interest. Accordingly, it is hereby:

ORDERED that the Motion is GRANTED.

SO ORDERED on this ___ day of _____, 2024.

United States District Judge
